

## Make a Donation to Journeys of the Heart

Journeys of the Heart gratefully accepts donations to help support our non-profit adoption work. Charitable contributions are the only other source of income for Journeys, aside from our adoption fees which we try to keep competitive so that more families can adopt. Journeys weathers the storms of the adoption business — foreign governments that suddenly halt all international adoptions, birth mothers who disappear — on our own, and through the financial contributions of others who have a soft spot in their hearts for adoption.

Please print out this form and mail it along with make your check, made payable to Journeys of the Heart Adoption Services. Here are some suggested donor categories, but please feel free to donate any amount that's comfortable for you. Journeys of the Heart will use your donation to fill our most urgent needs, ranging from general support, support for a specific adoption program, facilities maintenance, orphanage relief, special needs adoptions, etc.
